Clicking the hyperlinks on the project title will open the Project Summary description (Exhibit A) in a pdf document. If you would like to review more of the full application for any project, please go to the SNC Searchable Grants Database on the SNC Website at: <http://www.sierranevada.ca.gov/other-assistance/searchable-grants-database>. Once there go to Status and click "Application" and then identify the County and Subregion of the project you are seeking. You may then click the project name of the project you are seeking. Please note that these are large PDF files that may take awhile to load. For best performance, once you get to the "Download PDF Summary" link you may wish to right-click and choose "Save Target as". The PDF file will download to your computer and then you can open the local copy of the PDF document.
